All students who receive federal financial aid must be working toward an eligible degree from Lee University. In order to assure that students make progress the following requirements have been established. Lee University will utilize the following policy in determining federal financial aid eligibility. Progress will be evaluated at the end of the academic year or at the end of a term as described in Section III.

I. Definitions
   A. Academic year is fall, spring and summer.
   B. Attempted hours are defined as any course which appears on the transcript.
   C. Satisfactory grades are A, B, C and D.
   D. Unsatisfactory grades are W, F, or I.

II. Progress Standards
   A. Pace of Progression Standard: Both undergraduate and graduate students must satisfactorily complete 67% of all hours attempted.
   B. GPA Standard: Undergraduate students must maintain the following cumulative grade point averages to be considered making satisfactory progress.

<table>

<th>Total Hours Attempted</th>
<th>Minimum Required G.P.A.</th>

<tbody>
<tr>
<td>0 – 29</td>

Graduate students must maintain a minimum 3.0 grade point average which is the academic standard to remain in the graduate programs.

C. Maximum Hours Standard: Any undergraduate student who has attempted 180 hours or more will not be making progress.

Graduate students will be allowed to receive federal aid for a maximum of 150% of the published required hours of their program of study.

D. Transfer students: All transferable credits will be counted toward the maximum number of hours allowed to be eligible for financial aid. Satisfactory progress will be evaluated at the end of the first academic year attended at Lee University.

E. Repeat, Remedial and ESL courses will be evaluated consistent with the academic standards of the University.

F. Change in major: All course work appearing on Lee’s transcript will be included in the evaluation process regardless of the association with the current declared major.
III. Review of Eligibility

Satisfactory academic progress is reviewed annually for all financial aid applicants to insure that they meet the required qualitative, quantitative, and maximum time frame standards as outlined in Section II. Progress will be evaluated at the end of the academic year or at the end of a term of probation. Applicants who do not meet the standards outlined in Section II will be notified.

IV. Removal From Financial Aid - Suspension

A. A student who fails to meet any of the above standards of progress will be placed on Financial Aid Suspension.

B. Removal from financial aid does not prevent the student from enrolling at Lee University if:
   - the student has an alternative method of payment and
   - if the student meets the academic requirements to re-enroll.

V. Appeals

Students placed on Financial Aid Suspension can appeal to the Financial Aid Office. Reasons that may be acceptable for the appeal are:
   - serious illness or accident on the part of the student;
   - death, accident or serious illness in the immediate family;
   - other extenuating circumstances directly affecting academic performance.

The appeal must be submitted in writing and be accompanied by appropriate supporting documents. These will be reviewed weekly by the Financial Aid Satisfactory Academic Progress Committee. Students will be notified in writing of the Appeal Approval or Appeal Denial.

VI. Reinstatement of Financial Aid

A. If an appeal is approved the student will be granted one semester of Financial Aid Probation. An Academic Plan will be established by the committee. The plan will be designed to address the academic deficiency to ensure the student is making progress toward his/her degree. The student can continue to receive financial aid during this one semester of probation. Eligibility will be reviewed at the end of the term of probation. At that time the student must either be meeting the overall standards or meeting the terms of their Academic Plan.

B. A student who is removed from financial aid and/or whose appeal has been denied may be eligible to have his/her financial aid reinstated if he/she enrolls without federal financial aid and is able to reestablish the minimum progress standards or the terms of the previously established Academic Plan. It is the student’s responsibility to inform the Financial Aid Office if the requirements have been met.
