

# BLACK HISTORY MONTH SPOTLIGHT

This Black History Month, we are honored to spotlight members of our Lee University community who are making a meaningful impact!

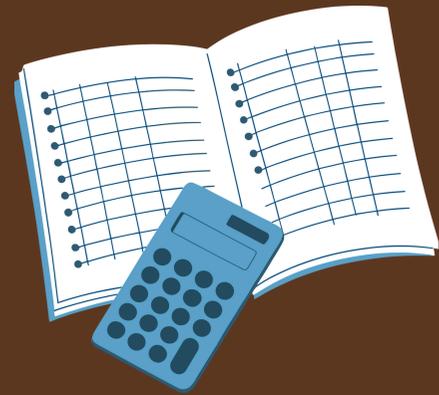

Join us in celebrating Julie and her contributions to our campus community this Black History Month.

# JULIE NGENDO

My name is Julie Ngendo. My job title is Budgeting and Accounting Coordinator.

I went to Lee for my undergraduate degree (Class of 2020); I attended East Tennessee State University for my master's degree in accountancy.

I work in the Business and Finance sector, where my work includes building and managing Lee university's budget. I also prepare financial reports to support cabinet and Board decisions. I started working at Lee in 2023.

Fun Facts: I enjoy being a vocalist any time I get the opportunity, and I once spent New Year's day in 3 continents.
