

JUNE 15-27, 2025

WHAT IS SUMMER HONORS?

Lee University's Summer Honors program offers a unique opportunity for academically talented high school juniors and seniors to experience college life firsthand. From June 15–June 27, over 200 students will engage in an exciting and challenging environment, earning six college credits while exploring the vibrant campus community. This two-week program provides a true taste of college life, filled with memorable experiences, dynamic learning, and lasting connections. Join us for an unforgettable journey at Lee!

WHAT WILL WE DO?

When you arrive at Lee University, you'll meet your roommate and be introduced to your peer leader—a current Lee student who will guide you throughout your stay. Over the next two weeks, you'll enjoy a full schedule packed with morning and afternoon classes, delicious meals, special services, and fun evening activities.

Highlights include whitewater rafting, the Greek Olympics, and our Summer Honors banquet.

You will have the opportunity to engage with the spiritual life at Lee through worship services and small group gatherings, providing you with time for personal reflection and growth in your calling.

HOW DO YOU QUALIFY?

To be eligible for our Summer Honors program, you must meet the following criteria:

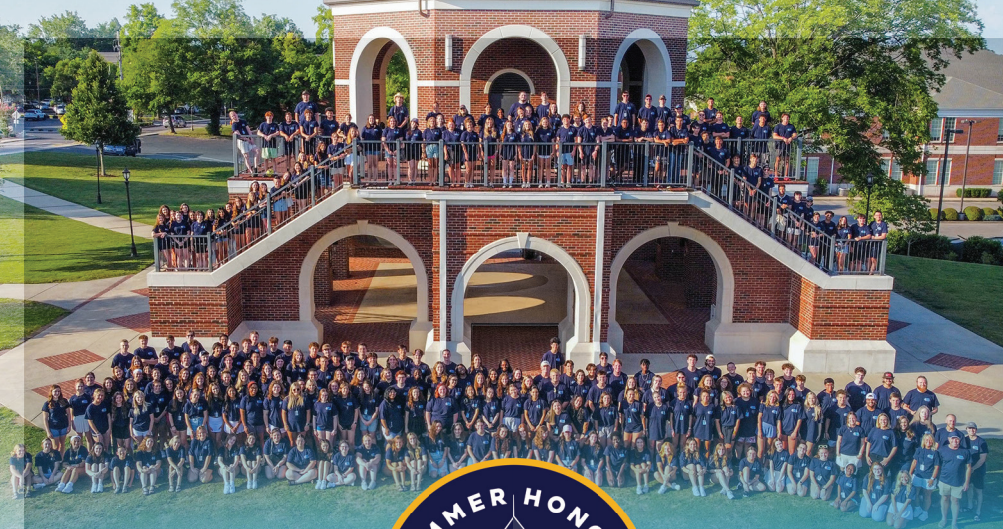

1. Be a member of the graduating class of 2025 or 2026.
2. Have a minimum GPA of 3.2 OR score of 24 on the ACT or 1120 on the SAT.

ARE THESE LEGITIMATE COLLEGE COURSES?

Yes! Summer Honors courses are specifically designed for this program and are taught by some of Lee University's top professors. These intensive, pass/fail college courses provide an excellent opportunity for academic growth. Upon successful completion, you'll earn six hours of academic credit toward your college degree.

Classes are scheduled on weekdays, with morning sessions from 9 a.m. to 11 a.m. and afternoon sessions from 1 p.m. to 3 p.m.

WHAT IS THE COST?

The cost of the entire program is only \$980, which includes six college credits, books, lodging, meals, and activities. That is an unbelievable value (a savings of more than \$4000, just on tuition)!
