CSCPay Mobile App
Laundry Room Monitoring

Start the machine using CSCPay Mobile App:

STEP 1
Turn on your Bluetooth, and download the CSCPay Mobile App.

STEP 2
Register for an account using your campus email address.

STEP 3
The app will ask for a credit card, click "Register Later".
Automatic credit will be issued to your account.

STEP 4
Load your laundry into machine and select cycle.

STEP 5
Using the app, start the machine by entering
the number or scanning the machine's QR code.

CSCPay Mobile App Features:

Monitor machine status
and receive alerts when
your cycle is complete.

Request service by scanning
the license plate or entering
the machine ID.

Access to account
usage history.
