LEE UNIVERSITY

Welcome to Lee. We have been looking forward to your visit to campus for weeks.

Most of you are in Cleveland for Lee Day because you will be choosing a college soon. I'm so glad you decided to put Lee University on your short list of possibilities. Take a good look at us this weekend. I think you'll like what you see!

Lee is a wonderful place. The faculty and staff are committed to providing excellent academic training in a positive, healthy environment where students learn and grow. We do our best to ensure Lee is an institution which is Christ-centered and Spirit-led. We hope, if you think Lee is right for you, you'll join us here in the fall.

Please enjoy the time you spend on campus with us this weekend. We're so glad you came.
