LEE § UNIVERSITY

Welcome! We have been looking forward to your visit to our campus for weeks!

Most of you are in Cleveland for Lee Day because you will be choosing a college soon. I'm so glad you decided to put Lee University on your short list of possibilities. Take a good look at us this weekend. I think you'll like what you see!

Lee is a wonderful place. My colleagues on the faculty and staff who work here with me are committed to providing excellent academic training in a positive, healthy environment where our students can learn and grow. We do our best around here to ensure that Lee is an institution which is Christ-centered and Spirit-led. And we hope, if you think Lee is right for you, that you'll join us here in the fall and be part of it all!

I hope you enjoy the time you spend on campus with us this weekend. We're so glad you came!

Cordially,

Mark Walker
President of Lee University
