# Accessing Lee University Sites

To access Lee University sites such as Moodle, Portico, and email, you will need to use the Lee University username and password sent to you by the IT Help Desk.

If you did not receive an email with your username and temporary password, contact the IT Help Desk at [helpdesk@leeuniversity.edu](mailto:helpdesk@leeuniversity.edu) or call 423-614-8027.

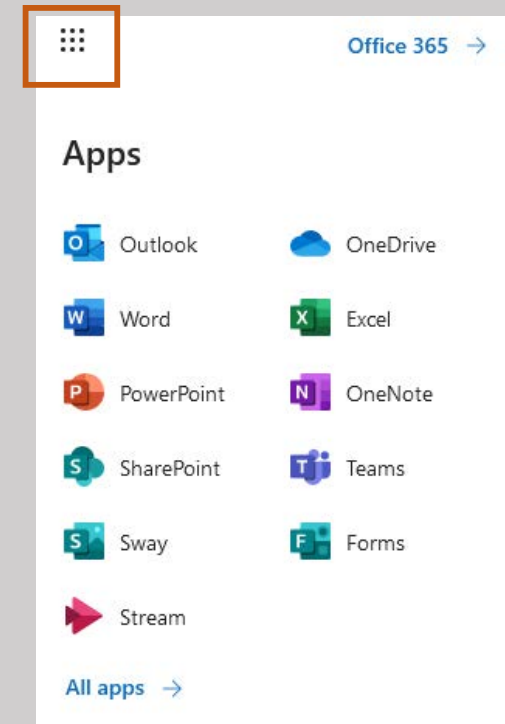

# Accessing Email

To access Lee Email, navigate to **leeu.edu**.

Enter your email address (username followed by @leeu.edu

Ex. jsmith00@leeu.edu) and password and click Sign In.

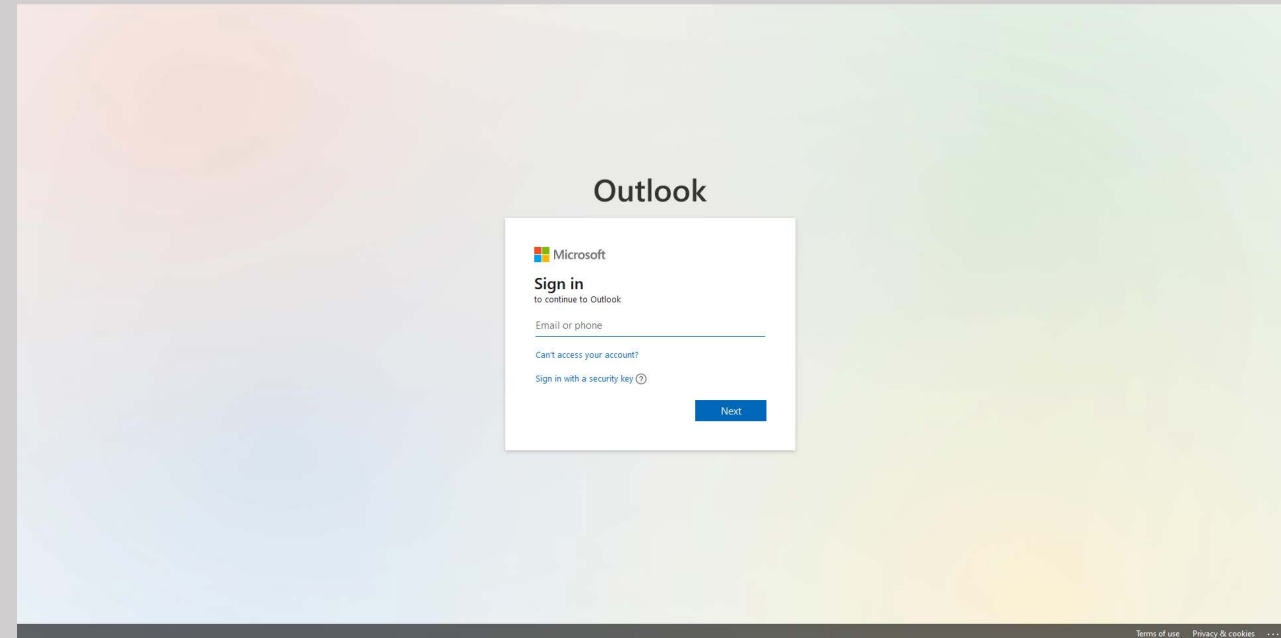

You can navigate to other Office 365 apps like OneDrive and Word using the apps menu in the top left or right corner of the screen, depending on your browser.

# Forwarding Lee Email

We understand that you may already have a personal email account that you prefer to use. However, Lee University policy is to communicate through Lee Email. One solution for you may be to forward your Lee email to your personal email.

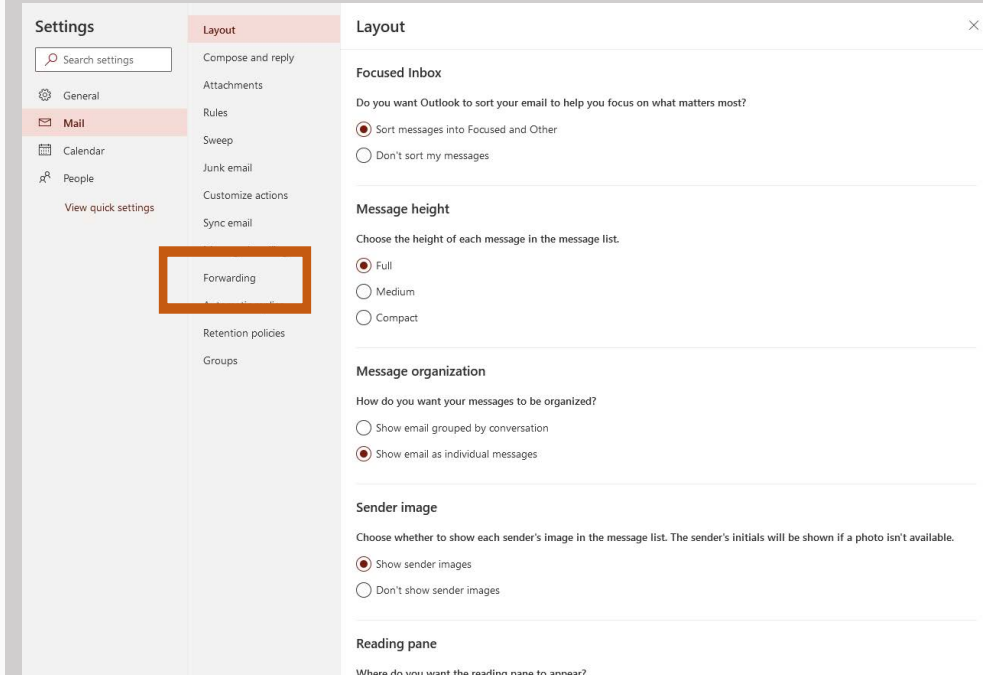

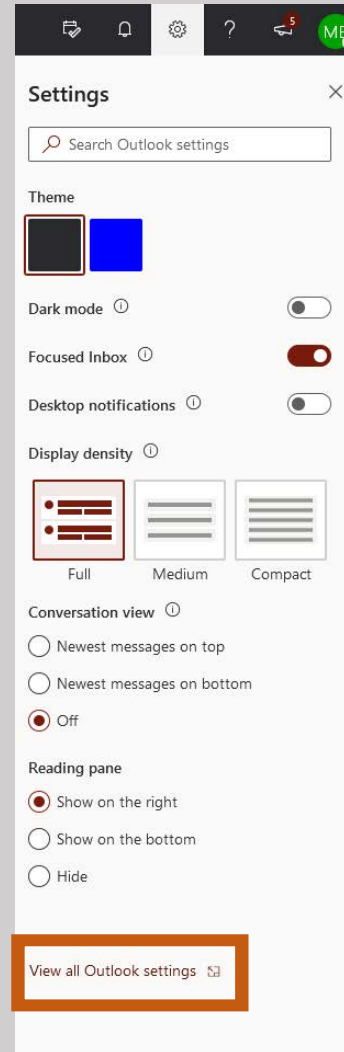

In order to do this, navigate to **leeu.edu**.

Login using your Lee email address and password.

At the top right of the page, click the gear icon to access settings, then click on **View all Outlook Settings**.

In the Mail settings, click on **Forwarding**.

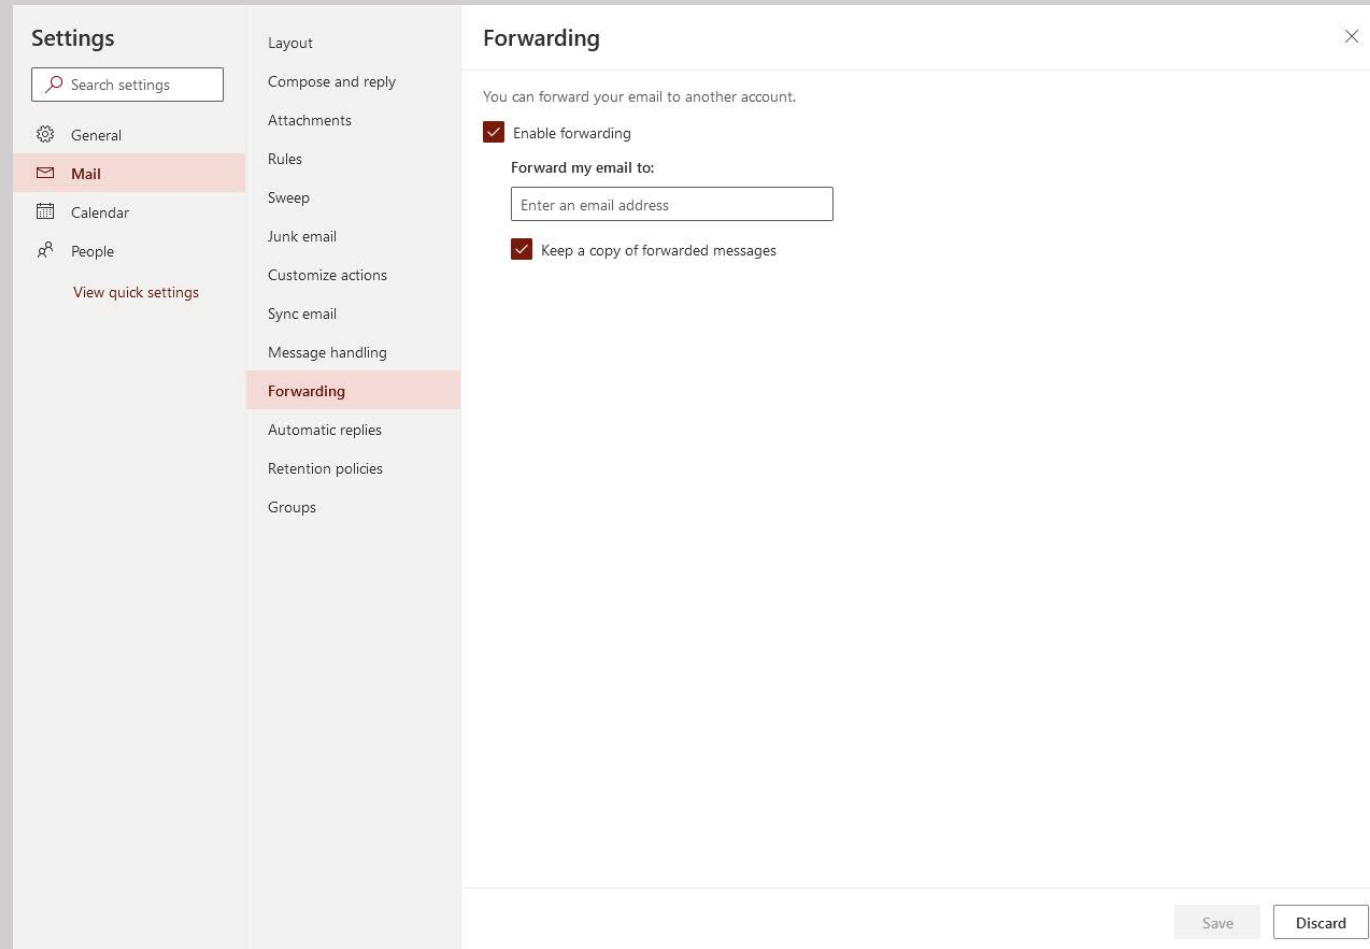

Click the **Enable forwarding** box.

Enter the email address you wish to forward your email to.

If you want to keep a copy of all forwarded mail in your Office 365 inbox, click the **Keep a copy of forwarded messages** box.

When finished, click **Save**.

The screenshot displays the Microsoft Office 365 Settings application. On the left, the 'Settings' sidebar is visible with 'Mail' selected. The main content area shows the 'Forwarding' settings page. At the top, it states 'You can forward your email to another account.' Below this, there are three settings: 'Enable forwarding' (checked), 'Forward my email to:' (with a text input field containing 'Enter an email address'), and 'Keep a copy of forwarded messages' (checked). At the bottom right, there are 'Save' and 'Discard' buttons.

# Accessing Moodle

# Downloading & Installing Office 365

To download Office 365, navigate to [leeu.edu](http://leeu.edu).

Log in using your Lee University user name and password. Click **Sign In**.

In the top left/right corner (depending on your screen), click on the menu icon, then click on **Office 365**.

On the next page, select **Install Office**.

A dialogue box will appear with instructions. Follow these instructions and Office 365 will be installed on the computer.

If you have any issues installing Office 365, please call the IT Help Desk at **423-614-8027** or email **helpdesk@leeuniversity.edu**.

Just a few more steps...

The image shows three sequential steps for installing Office 365. Step 1: A computer screen with a file named 'Setup...' at the bottom, circled in red. Step 2: A 'Yes' dialog box appearing over the 'Setup...' file, circled in red. Step 3: An 'Activate Office' screen with a 'Sign in' button.

- 1 Click Run**  
Click the *Setup* file at the bottom of the screen.
- 2 Say "yes"**  
Click the *Setup* file at the bottom of the screen.
- 3 Stay online**  
After installation, start Office and sign in with the account you use for Office 365: [zsimm@leeuniversity.edu](mailto:zsimm@leeuniversity.edu).
