

SON Scholarship Application Form 2020-2021

Funds that students may apply for (select all that apply):

- Scholarship Funds requested for Fall 2020 and Spring 2021.**

Criteria: This fund is for students with significant financial need.

Attach explanation of significant financial need (what is needed and why). Please include any tuition/fee bills and/or receipts.

- Emergency Assistance Funds for Summer 2020, Fall 2020, Spring 2021**

Criteria: For students who have had something change that is now affecting financial ability for Summer or Fall 2020 OR do not have enough available dollars to return in Fall 2020. If there have been costs incurred for summer or fall that a student is, or will be having difficulty paying, the receipts and/or bills should be included as part of the application packet. A portion of tuition/fees may be covered, provided the student can demonstrate that criteria above is met. Other costs that may be funded include textbooks, uniforms, and other required items for the nursing program.

Attach explanation of significant financial need (what is needed and why). Please include any tuition/fee bills and/or receipts.

- Other Available Funds Request for Fall 2020**

Dependent upon availability and specific criteria per scholarship
